

EDUCATIONAL CD-ROM

*Proceedings of the 40th St Andrew's Day Festival Symposium:
'Cardiology in the 21st Century', 30 November – 1 December 2000*

Tell us what you think!

All Fellows and Collegiate Members of the College should have received a copy of the College's first educational CD-ROM on 'Cardiology in the 21st Century' held late last year. We intend to produce more educational CD-ROMs and to improve upon what we have so far produced, we are keen to hear your feedback of this CD-ROM and hope that you have filled in the CD-ROM's questionnaire '*Tell us what you think!*' Even if you do not have a computer and could not access the CD-ROM, please let us know.

Questionnaires should be sent back to Ms Eileen Strawn, Symposium Co-ordinator, Royal College of Physicians of Edinburgh, 9 Queen Street, Edinburgh EH2 1JQ, UK.
