

ROYAL COLLEGE OF PHYSICIANS,

EDINBURGH,

191

Dear Sir,

As you were elected a Member of this College  
on \_\_\_\_\_ it is now competent for you to  
make application for the Fellowship, should you desire  
it. The procedure will be found in the Regulations for  
the Fellowship, a copy of which I enclose herewith.  
From this you will see that three quarterly meetings  
must elapse between the date of your application and  
your election, the latter date completing the three  
years which intervene between the election to Membership  
and Fellowship respectively.

Yours truly,

Secretary.
