We will also use these to keep you up to date on the projects development. Once the transcriptions are completed it is intended that a website and/or exhibition will be created where we will credit you by name with the transcripts you have done and in an acknowledgement section. Please inform us if you do not wish to be credited. We will not pass your data on to anyone else. We will keep your Intellectual Property Rights forms permanently to ensure that we retain the ownership of the transcriptions you produce while volunteering for us. Once the project is finished we will remove your name and email address from our tracker form.
