

Medical Scavenger Hunt CODE BREAKERS

Physicians often used a code when writing about their patients, it was a way to keep what patients would tell their doctor safe from prying eyes. Here is an example of a student taking notes during a class at The Royal College of Physicians of Edinburgh.

ROYAL
COLLEGE of
PHYSICIANS of
EDINBURGH

Created by the Heritage Department at
The Royal College of Physicians of Edinburgh
Scotland's Oldest Medical Library

Using the clues provided, you will navigate the Remote & Rural Remedies website to find the letters that represent the corresponding symbol. Once you have the alphabet, you will be in charge of deciphering the code to reveal the message below. It will fit perfectly in the template below.

-  = _____ The 6th letter of the 5th word in question #4. [Click Here](#)
-  = _____ The 1st letter of the 5th word in the answer to question #5. [Click Here](#)
