

SYMPTOM WORKSHEET

Name: _____

Object Name: _____

Type of object (Herbarium/tablet/lozenge/powder/ointment): _____

What does your object do? _____

Does your object have a recipe? _____

Do you know where all of the object's ingredients come from? _____

Does your object contain any appetising ingredient? _____

Does your object contain any unappetising ingredient? _____

Who do you think will want to buy this object? _____

Are you advertising this object to sell NOW or when it was originally made? _____

Next you will make an advertisement poster for your object.

Use the sample poster below to create a rough draft of the advertisement.

The advertisement should:

- Include the name of the object.
- Include information about what the object is used for. Does it cure hiccups? Does it help prevent dry skin?
- Include information (text or drawings) about the ingredients in the object.
- Be colourful and eye-catching
