26th Northwest England: Medical Updates for the On Take Team

Thursday 23 October 2025

9:00 – 17:00

Education Centre 1, Royal Preston
Hospital, Preston, PR2 9HT

The College is excited to return with an essential one-day symposium offering vital updates for clinicians 'On Take' in General Medicine. Gain insights on managing acute admissions, the latest treatments in diabetes, immunotherapy, and interstitial lung disease, and the emerging role of AI in medicine. Learn practical strategies for tackling liver injury, hypertension, kidney issues, tachycardia, psychiatric cases, and more.

Participating speakers:

- Professor Ruth Board
- Professor Frankin Joseph
- Dr Nazia Chaudhuri
- **Keynote lecture: Professor Tom Lawton**
- Professor Pappachan Joseph
- Dr Stephen McClements
- Dr Joeseeph Newton
- Dr Christopher Cassidy
- Dr Ross Overshott

Open to all levels, this event is a must-attend for general physicians and specialists wanting to stay current across evolving medical fields.

All grades of medical, nursing, scientific staff, allied health professionals and medical students are welcome.

CPD +5*
Credits

*5 CPD credits applied for.
