# Medical Trainees Conference 2026

Friday 27 February 2026

09:00 – 17:00

Royal College of Physicians of Edinburgh  
11 Queen Street, Edinburgh EH2 1JQ and  
online

## Topics will include:

- **A morning of managing the acute medical take**
  - An Approach to Acute Liver Failure
- **Panel Discussion: My Biggest Lesson Learnt**
- **An afternoon of continuity of care on the wards**
  - Think Delirium: Beyond “Pleasantly Confused”
  - Managing Heart Failure on the Wards
  - Limb Ischaemia for Medics

This annual hybrid event, organised by the Trainees & Members’ Committee of the Royal College of Physicians of Edinburgh, brings together a variety of medical presentations by expert speakers.

The day will also include our popular clinical lessons for which trainees were invited to submit interesting case reports, alongside the 52nd Sir John Halliday Croom Lecture and the RCPE College Journal Prize.

The day has been designed to be relevant to all grades of medical, nursing, scientific staff, allied health professionals and medical students.

The event is free to attend for Collegiate, Associate, Foundation Members and Medical Students of the RCPE.

Catch-up will be available to registered delegates; full details on the website.
