RCPE Edinburgh

29th Advanced Gastroenterology & Hepatology Course

Thursday 19 – Friday 20 March 2026 | 2-day event

08:30 – 16:30

Royal College of Physicians of Edinburgh
11 Queen Street, Edinburgh EH2 1JQ

Topics include:

- Surveillance of Barrett's oesophagus – Is endoscopy still the gold standard?
- 2025 Guidelines for IBD Management – What's new?
- Anti-obesity drugs in MASLD
- Expanding indications for liver transplantation

A unique two-day opportunity where the worlds of Gastroenterology and Hepatology come together for cutting-edge learning and collaboration. This hybrid event brings together leading experts to deliver the latest evidence-based updates and practical insights in gastroenterology and hepatology.

Trainees and consultants from across the UK and globally will particularly enjoy this course.

You can register for in-person or online, per day or for the full 2 days, it's up to you.

Catch up will be available to registered delegates and full details are available on the website.
