# Edinburgh International Course in Medicine of the Older Adult

Monday 11 – Thursday 14 May 2026 | 4-day event

9:00 – 17:00

Royal College of Physicians of Edinburgh  
11 Queen Street, Edinburgh EH2 1JQ

## Topics include:

- Neurological conditions in older age
- Acute trauma management
- Community-based care
- Specialty updates in geriatric medicine
- Palliative care workshop
- Surgical considerations for older patients

We would be thrilled to welcome you to Edinburgh for this enriching experience. This in-person event brings together leading experts from the UK and around the world to share the latest insights and practical approaches in care of the older adult.

Whether you're a consultant, resident doctor, GP, specialist nurse, or allied health professional, this course offers invaluable learning and networking opportunities for those working in the UK or worldwide.

You can register for the full 4 day course or per day, it's up to you.

Catch up will be available to registered delegates and full details are available on the website.
