

This section, *In memoriam*, brings to the attention of Fellows and Collegiate Members the deaths of colleagues and friends. Obituaries – intended to record and pay tribute to the life and work of Fellows and Collegiate Members whose deaths have been reported in *In memoriam* – can be found on the College website:

www.rcpe.ac.uk/fellows_&_members.obituaries.index.php

Fellows and Collegiate Members are warmly invited to provide the Obituaries Editor (editorial@rcpe.ac.uk) with information that will enable him to write or commission obituaries. Self-written obituaries to be held in readiness by the Obituaries Editor will always be welcome.

Exclusive offer for RCPE Collegiate Members 50% discount on Fellowship subscriptions

We are pleased to offer a significant discount in annual subscription rates for eligible Collegiate Members who are Consultants and wish to progress to Fellowship.* Collegiate Members of four years' standing who are successful in their nomination for Fellowship will be able to obtain a 50% discount on their first year's Fellowship subscription and a 25% reduction on their second year's subscription, offering savings of up to £300.

Please access details of our reduced subscription rates, including concessionary elements for Fellows working less than half-time or on maternity leave, at: www.rcpe.ac.uk/join/fellowshipoffer.php

Fellowship confers a range of additional benefits and opportunities:

- International peer and public recognition through the use of the 'FRCP Edin' post-nominals.
- Professional support for revalidation/recertification.
- The opportunity to participate in projects and working groups to determine the future direction of education and clinical medicine.
- The opportunity to help maintain national and international clinical standards by acting as an MRCP(UK) examiner.
- The opportunity to inform College responses to external policy consultations in your specialty.
- The opportunity to participate in the governance of the College through election to committees and to Council.

*Eligible candidates should normally have held a substantive Consultant post or equivalent for at least 11 months. If you hold such a post and are interested in being considered for Fellowship, the principal method is nomination by an existing Fellow. Please e-mail Avril Harries at a.harries@rcpe.ac.uk for a list of Fellows in your area. Alternatively, you may wish to discuss nomination with one of our Regional Advisers or consider self-nomination.
