2. The Secretary shall intimate annually to all Fellows of the College that it is their privilege and duty to nominate Members for consideration for advancement to the Fellowship. In this Chapter 'Members' shall include those holding a Diploma of MRCPCH.

3. All nominations shall be examined by the Fellowship Committee. The Fellowship Committee shall be made up of two Members of the Council selected by the Fellows of the Council from those Councillors elected by the Fellows and two Fellows elected for that purpose at the Annual Meeting who shall not be members of the Council. The election shall take place as provided for in Chapter XI, Law 9. The Fellowship Committee shall make recommendations to the Fellows of the Council concerning each member nominated for advancement to the Fellowship. Thereafter the Fellows of the Council shall consider those recommended by the Fellowship Committee for election to the Fellowship. Both the Fellowship Committee and the Fellows of the Council shall give special attention to the qualifications, professional standing, appointments and contributions to the literature of each nominee. A decision to recommend a candidate for advancement to Fellowship under this Law will require a three quarters majority of the Fellows of the Council present and voting. The Council shall then submit to the Fellows of the College the names, qualifications and appointments held by those Members they recommend for election under this Law.

4. The Fellows of the College may comment on each candidate for advancement proposed by the Council under Law 3. Such comments must be addressed to the Secretary of the College and received within one month of the date of intimation under Law 3 (which shall be the date the intimation was posted by the College).

5. In the event that no comments are received, the candidate shall be deemed conditionally elected upon the following (1) receipt of the candidate's declaration form, which form shall be in such terms as shall be determined by Council from time to time (2) acceptance of the form by the Secretary (which acceptance shall be in the Secretary's sole discretion) (3) written confirmation of the candidate's desire to proceed with advancement to Fellowship (4) payment of any fee payable under Chapter VII, Law 2 (5) written confirmation that the candidate will pay any annual fee payable under the Laws and (6) acceptance of the Promissory Obligation (Appendix No1). If the candidate's declaration, confirmation, payment and acceptance is received within four weeks of the date of posting of the Secretary's letter advising of the conditional election of the candidate, the candidate shall be deemed to have been elected to the Fellowship at the Council meeting at which their conditional election took place.

If the candidate's declaration, confirmation, payment and acceptance of the Promissory Obligation (Appendix No1) is not received within four weeks, the Secretary shall write to the candidate to give a further four weeks for their receipt or an explanation of their failure.

If the candidate's confirmation, payment, declaration and acceptance of the Promissory Obligation (Appendix No1) is received within the second four week period, and if the declaration is accepted by the Secretary, the candidate shall be deemed to have been elected to the Fellowship at the Council meeting at which their conditional election took place.

If no timeous response is received, the nomination shall lapse but if an explanation of a candidate's failure to make a complete response is received by the Secretary they may, at their discretion, refer the nomination to the next available Council Meeting. At that Meeting, the Fellows of the Council may, by a three quarters majority decision of the Fellows of the Council present and voting, (1) elect the candidate and decide whether or not to exempt them from payment of the fee (or fees as the Council may resolve) payable under Chapter VII, Law 2, in which case, the Fellow shall be deemed to have been elected at the date of the said Council Meeting; (2) postpone the candidate's advancement to allow the Secretary to write to the candidate to advise of the Council's decision and invite them to satisfy conditions (1)-(6) in Law 5 above. The candidate's nomination shall be considered at a Council meeting after the candidate has satisfied the conditions, which Council Meeting shall be taken as the date of their election; or (3) reject their explanation whereupon their nomination shall lapse.

6. If comments are received, the Council may seek further advice and defer a decision on the nomination pending further investigation. Once that investigation is completed, Council shall proceed to take a decision on the nomination at a subsequent meeting of Council and, if the Council approves the nomination, the candidate shall be deemed elected at that meeting so long as conditions (1)-(6) in Law 5 above have been met.

7. Fellows may propose for election to the Fellowship under Law 8 hereof medical graduates or licentiates who are not Members of the College or other persons of exceptional distinction. Such proposals require to be seconded by another Fellow. All such proposals shall be examined by the Fellowship Committee. The Fellows of the Council may also recommend for election to the Fellowship other persons of exceptional distinction. At the discretion of the Council, any Fellow elected under this Law may exceptionally be exempted from payment of the fee payable by a Fellow on election and annually thereafter (Chapter VII, Law 2).
