# Our Strategy

TOWARDS 2025 TOGETHER

## Our Purpose

Our five-year strategy to 2025 sets out the Royal College of Physicians of Edinburgh's future vision. Our purpose is to enable a worldwide community of physicians and their teams to advance the health of our global population and planet for the long-term benefit of society. We are a progressive organisation committed to being the voice of our Fellows and Members, setting professional standards, influencing health policy, and promoting equality and human rights.

---

## Our **Mission**

Our mission is to promote and improve the quality of health and patient care worldwide. We will do this by improving accessibility to the profession, developing collaborative partnerships, encouraging innovation and delivering outstanding education, training, quality improvement, and assessment opportunities.

---

## Our **Vision**

To be the College of Choice  
for physicians and related  
specialties internationally.

---

## Our Values

Accessible

Collaborative
